CLIMB ABOARD THE BEST VALUES AROUND

Welcome to the 2006 lineup of SunChaser pontoons. These incredible value packages feature Smoker Craft's legendary quality at a price that's well within reach. You'll make no sacrifices when it comes to style and comfort, thanks to anodized rails, plush 22-ounce carpet and smooth fence panels. The cruise models sport attractive rounded fronts, and select models feature rear entry layouts and walk-in changing rooms.

There's plenty of room for the whole family to spread out and enjoy their favorite activities, with wide beams and spacious seating groups. You'll also enjoy the superior performance of 25" tubes available on select models.

For fishing, cruising and all-round family fun, nothing beats the versatility of a pontoon. And for great features, great construction and remarkable affordability — nothing beats a SunChaser.

The SunChaser logo features the brand name in a stylized, cursive font. The 'S' is large and prominent, and the 'C' in 'Chaser' is particularly large and stylized, with several sharp, radiating lines extending from its top right corner, suggesting speed or a sunburst effect.
