2017

**SWEET MEMORIES ARE ON THE HORIZON**

TWO THOUSAND SEVENTEEN • SUNCHASER PONTOONS

# MAKING WAVES. CREATING MEMORIES.

Chase sun and fun in style with SunChaser. Take the excitement of being out on the water to a whole new level of comfort and performance thanks to exhilarating horsepower capacity and advanced technology, including optional X-Treme Performance Strakes. Discover this season's many exciting enhancements, like the all-new Sport and Eclipse models – featuring modern interior and exterior color schemes and much more.

SunChaser has been building pontoon boats of exceptional quality to satisfy every water lover's needs – from cruising and entertaining to sporting and fishing. Peace of mind and a satisfaction guarantee are built into every SunChaser model, with our industry-leading Lifetime +6 Warranty and affordable price points to suit your budget and lifestyle. Isn't it time you launched a SunChaser of your very own this summer?

## BACKED BY PEACE OF MIND

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet, upholstery and electronics
- All parts and labor
- Transferable to second owner

## OUT IN FRONT. ALWAYS FUN.

A great day on the water starts and ends with a boat tailor-made to your specifications. When it comes to technology, comfort and choice, each model in our exceptional fleet is quality built to exceed your standard of excellence and your demand for the highest value.

### LEADING-EDGE TECHNOLOGY

Get ready to experience up-to-the-minute pontoon technology driven by our commitment to industry-leading design and meticulous construction. Choosing your level of pontoon performance is simple with an extensive array of tube configurations, including our unique X-Treme Performance Strakes, exclusive PR25 center tube housing a 60-gallon fuel tank plus extended transom, and PTS system with improved water flow and lifting performance. Day excursionists will enjoy music and entertainment accessible via Bluetooth® technology built into select SunChaser models.

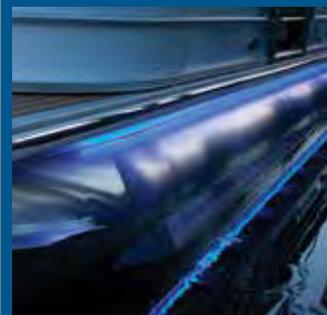

### EFFORTLESS COMFORT

Every detail of our pontoons is designed with your comfort and convenience in mind. From spacious, flexible floorplans to plush, overstuffed lounge chairs, your new SunChaser is transformed into a luxurious modern living room on the water. What better way to entertain family and friends for a full day of boating fun?

### EXTENSIVE CHOICE

When it comes to customization, we've got you covered. With our wide range of innovative floorplans, it's a breeze designing a boat custom-made to your specifications. Select from great cruising, sport and fishing layouts while you consider many other exclusive options and packages. Put the finishing touch on your custom-designed SunChaser with complementary color schemes and seven attractive flooring styles.

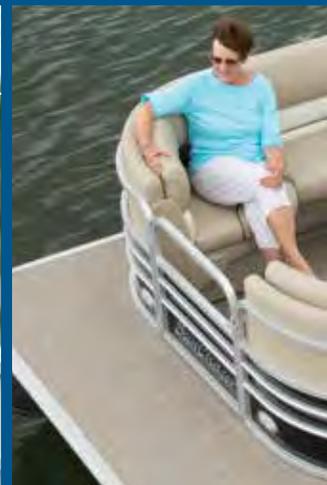

### TECHNOLOGY

### COMFORT

### CHOICE

# A BETTER BOATING EXPERIENCE

Owning a SunChaser is a fast pass to a feeling of freedom and exhilaration like no other. As you disconnect from daily demands, you're swept into the excitement and relaxation that a day on the water can deliver. Taking that indulgence to the next level is as simple as adding X-Treme Performance Strakes to your features package.

Designed with versatility and handling in mind, the strategically positioned tubes effortlessly carve the water. Advanced pontoon technology allows you to navigate with the utmost agility while cutting through waves and chop. Engineered for dynamic efficiency, X-Treme Performance Strakes offer a wealth of advantages – better lift, less drag, increased speed, faster planing and a tighter turning radius – which translates to better handling and performance you can feel.

## TRADITIONAL TUBE CONFIGURATIONS/CHARACTERISTICS

**TWO .080" ROUND TUBES**  
Great for all-around boating

**TWO .080" ROUND TUBES WITH .060" ALUMINUM PERFORMANCE SHIELD**  
Great for all-around boating with improved water flow

**TWO .080" ROUND TUBES WITH .060" ALUMINUM PERFORMANCE SHIELD WITH X-TREME PERFORMANCE STRAKES**  
Great for all-around boating with improved water flow, high horsepower lifting performance

**TWO .080" ROUND TUBES AND .100" CENTER TUBE WITH .060" PERFORMANCE SHIELD**  
For all-around boating with improved water flow, better handling and smoother, more buoyant ride

**TWO .080" ROUND TUBES AND .100" CENTER TUBE WITH .060" ALUMINUM PERFORMANCE SHIELD WITH X-TREME PERFORMANCE STRAKES**  
Great for all-around boating with improved water flow, better handling, a smoother, more buoyant ride, high horsepower lifting performance

**TWO .080" ROUND TUBES WITH THIRD .080" PTS CENTER TUBE WITH ALUMINUM PERFORMANCE SHIELD**  
Two full-length outer tubes plus a reduced length center tube to incorporate a traditional transom, creates a lighter option for better performance and fuel efficiency at an affordable price

- Ski Pylon
- Hydraulic Steering
- Full 'Heavy' Hat Understructure

## X-TREME PERFORMANCE STRAKES

Increase your boating experience with X-Treme Performance Strakes.

# BACKED BY PRIDE AND CRAFTSMANSHIP

SunChaser rides on the unbeatable strength of hat-channel construction with more cross channels than other pontoons in its class. In fact, when you take a closer look at the details, you'll find that the true value of a SunChaser is in the quality of its craftsmanship.

**CROSS CHANNEL CONSTRUCTION** Provides superior chassis strength. The transom area is supported with up to 3/16" hat-channel construction using twice the amount of fasteners as other pontoons. This provides the strength needed to handle the high torque of today's large engines.

**DOES YOUR BOAT HAVE OUR CONSTRUCTION?** Other manufacturers use C-channel designs which can require more cross members and provide less strength than Starcraft's hat-channel construction. And with imbalanced weight distribution, C-channel crossmembers are less able to withstand the forces exerted on the pontoon year after year.

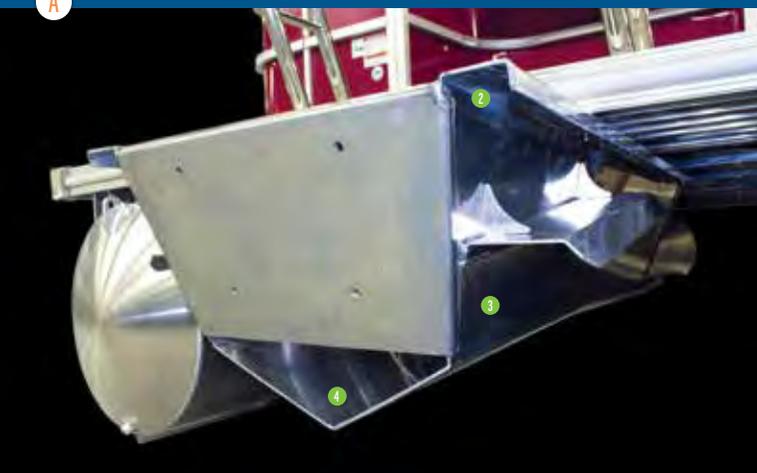

A

B

C

D

D

E

- A THROUGH-BOLTED TRANSOM** 1) A one-piece body with an all-welded transom is built with .190" gauge aluminum and metal boxed channel on the inner transom. A pre-drilled motor mount attached with 20 bolts allows for the heaviest, high horsepower engines. 2) .190" gauge aluminum is turned down for strength and structure. 3) Spray deflectors with reinforced gussets push the water away. 4) "V" provides clean water to propeller for better turning.
- B CONSTRUCTED FOR ENDURANCE** 3/4", 7-ply pressure treated plywood through-bolted and screwed to the hat channels to create the strongest seams and transom support in the industry.
- C TUBES** Tubes are made with one-piece .080" gauge aluminum with full-length keels and sturdy deck risers. Backed by a Limited Lifetime Warranty.
- D FENCE AND RAILING** Features foam backing to prevent rattling and fully welded and anodized railing to add strength. Anodized welds are never painted. It's all backed by a 6-year warranty.
- E 4-POINT DECK TO HULL FUSION** SunChaser deck brackets have 4 points of fusion for an extended area of contact with the tube. In addition to providing increased strength and support, this reduces frame twist and racking in rough water and guards against tube fatigue.

# ECLIPSE

A RIDE LIKE NO OTHER

Step aboard the Eclipse series for a luxury ride. With its plush interior and executive helm station elevated on a raised platform for an enhanced sightline, every feature, including the extended stern platforms and full height panels, is thoughtfully designed for the serious water warrior. Bolster horsepower and handling with optional power upgrades like X-Treme Performance Strakes and third tube technology.

# CLASSIC CRUISE

ENDLESS ENTERTAINMENT FOR EVERY WATER LOVER

Redefine family fun with the popular Classic Cruise series featuring attentive comforts – plush, overstuffed seating, a five-step ladder – that will please every generation. A generous range of optional features lets you enhance comfort, handling and performance. The EXP floorplan gives you the flexibility of an extended playpen area by moving back the exterior fencing and providing more interior space. An exceptional value at a price point that won't rock the boat.

## AN EXTENDED DECK MEANS EXTENDED FUN

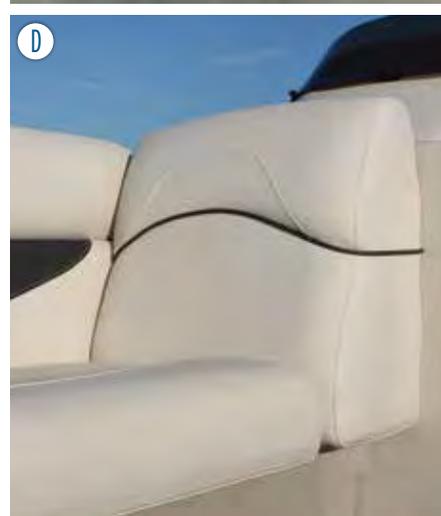

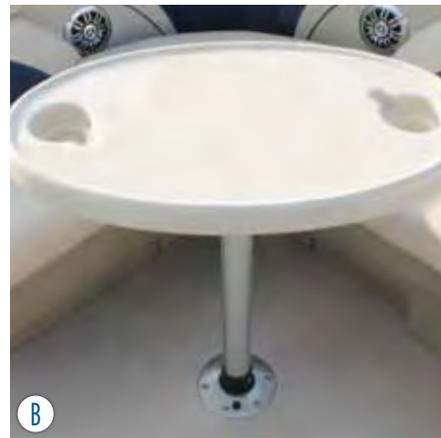

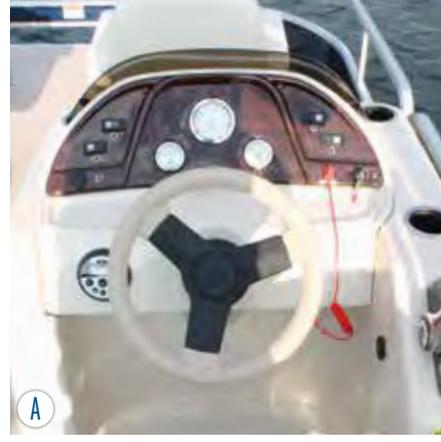

All hands on deck takes on new meaning with the generous square footage and smart ergonomic layout of the DS Series. The spacious floorplan and extended bow platform with five-step ladder is designed to accommodate all of your sporting needs including skiing, tubing and launching into the water for an easy cool down. Performance upgrades are plentiful – from the streamlined ski tow bar to the fully tricked out X-Treme PR25 Performance Package – and luxury is just an upgrade away with the ultra-comfortable Touring Package.

## ALL-DAY COMFORT AND STYLE

Go the distance with the best value in the SunChaser fleet. The Oasis series lets you cruise in all-day comfort and style with multi-functional amenities like a flip-back seating bench that opens to a spacious caddy to hold all your gear. A color-coordinated Bimini looks sleek while providing protection from the hot sun. Carving the water has never looked so inviting.

# TRAVERSE

A MASTER AT MANEUVERABILITY

The Traverse series delivers exceptional handling and watersport thrills in a compact, easy-to-tow, easy-to-store size. Its space-efficient 7'6" width allows for easy maneuverability in and out of tight dock spaces, and it's ideal for international shipping. With a wide range of cruise and fish floorplans, Traverse doesn't compromise on comfort or amenities, and a full range of popular options let you customize your boat and make it your own.
