ALL-NEW LUCERNE SERIES

THIS IS AFFORDABLE BOATING

Our lives are all about the memories we make. Pulling the kids in a tube, catching the big fish, lunches in the open air with a view that can't be beat. From cruising and entertaining to water sports and more, SunChaser builds 75 different pontoon models, making it easy to find the perfect ride for you and your family. Every one is approachably priced to represent incredible value, so you can get in on the fun right now.

As part of Smoker Craft Inc., SunChaser benefits from five generations of boat building expertise. Our precision manufacturing and unique buying power let you enjoy premium features like stylish LED underdeck and underwater lighting, Bluetooth®-enabled stereos and upscale furniture and upholstery without paying premium prices. Choose from an extensive selection of tube configurations, like our unique X-Treme Performance Strakes and PR25 center tube or our incredible PTS system, to experience the kind of exhilarating thrill ride that leaves everyone begging for more.

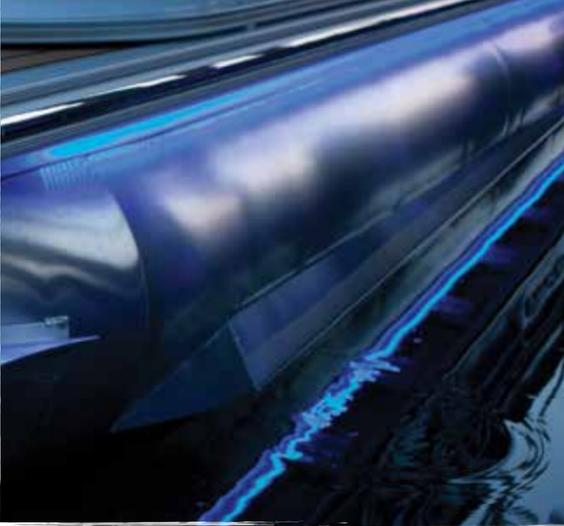

BACKED BY PEACE OF MIND

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, flooring and upholstery*
- All parts and labor
- Transferable to second owner

*Some exceptions may apply.

THE BORN LEADER IN TECHNOLOGY ▶

At SunChaser, we don't just follow the trends—we set them by incorporating all the latest technology into every boat we build. From Bluetooth®-enabled stereos that let you stream music effortlessly from a phone or tablet, to innovative furniture designs, to our proprietary tube systems that make the most of today's energy-efficient outboards, your SunChaser is built to stand out in the crowd with all the features you want.

SMILES COME STANDARD

Boating should be fun and carefree, which is why we build every SunChaser as if we were building it for ourselves. When it comes to delivering technology, comfort and choice, SunChaser stands alone.

◀ IT'S GOOD TO BE KING OF COMFORT

Performance is nothing without comfort, and every detail of every SunChaser is designed with your comfort in mind. Roomy, versatile floorplans, seat cushions with just the right balance of support and comfort, and buttery-soft upholstery mean you'll want to spend the whole day out there in your floating living room.

MAKE IT YOUR CHOICE ▶

Everyone has their own idea of a perfect day on the water and the perfect boat to enjoy it in. With our wide range of innovative floorplans and an extensive options list, no one delivers more choices for you and your family. Put the finishing touch on your custom-designed SunChaser with complementary color schemes and three attractive flooring styles. Have it your way, knowing that our industry-leading Lifetime +6 warranty and satisfaction guarantee let you enjoy the water with total peace of mind.

BOATING

THE WAY IT SHOULD BE

Owning a SunChaser is more than just an incredible feeling of freedom and exhilaration. It's about taking that indulgence to the next level.

Add X-Treme Performance Strakes to your features package and enjoy the kind of stability and handling you probably didn't think was possible with a pontoon boat. Our advanced pontoon tubes slice through the waves and chop, lifting the boat onto a smooth, nimble ride instead of plowing through the water and pounding up and down. For the ultimate in performance, choose our X-Treme PR25 Performance Packages for even better lift, less drag, increased speed, faster planing times and a tighter turning radius – all of which translate to better fuel economy and the kind of sporty handling and performance you can truly feel.

TRADITIONAL TUBE CONFIGURATIONS/CHARACTERISTICS (ALUMINUM GAUGE)

		Performance	Lift	Handling	Fuel Economy
TWO ROUND TUBES (.080") Great for all-around boating		✓	✓	✓	✓
TWO ROUND TUBES (.080") WITH ALUMINUM PERFORMANCE SHIELD (.060") Great for all-around boating with improved water flow		✓ ✓	✓	✓ ✓	✓ ✓
TWO ROUND TUBES (.080") WITH ALUMINUM PERFORMANCE SHIELD (.060") WITH X-TREME PERFORMANCE STRAKES Great for all-around boating with improved water flow and high horsepower lifting performance		✓ ✓	✓	✓ ✓	✓ ✓
TWO ROUND TUBES (.090") AND CENTER TUBE (.100") WITH PERFORMANCE SHIELD (.060") AND X-TREME PERFORMANCE STRAKES Great for all-around boating with improved water flow, better handling, a smoother, more buoyant ride and high horsepower lifting performance		✓ ✓ ✓	✓ ✓ ✓	✓ ✓ ✓	✓ ✓ ✓
TWO ROUND TUBES WITH THIRD PTS CENTER TUBE ALUMINUM PERFORMANCE SHIELD Two full-length outer tubes, plus a reduced length center tube to incorporate a traditional transom, creates a lighter option for better performance and fuel efficiency at an affordable price	 PTS Tube does not change horsepower or capacity rating.	✓ ✓ ✓	✓ ✓ ✓	✓ ✓ ✓	✓ ✓ ✓

- Ski Pylon
- Hydraulic Steering
- 25" Transom
- .100" Tubes and Nose Cones

X-TREME PERFORMANCE STRAKES ▶

Increase your boating experience with X-Treme Performance Strakes.

▲ PAINTED TUBE OPTION

SunChaser pontoon tubes are constructed with up to .100" gauge one-piece marine-grade aluminum. And now, with the painted tube option, you get the added durability provided by a combination of zinc chromate primer and urethane paint, which forms a corrosion-resistant surface.

*SunChaser uses diurnal EPA certified tanks which may hold less than listed content by approximately 10%.

BACKED BY PRIDE AND CRAFTSMANSHIP

SunChaser rides on the unbeatable strength of hat-channel construction with more cross channels than other pontoons in its class. In fact, when you take a closer look at the details, you'll find that the true value of a SunChaser is in the quality of its craftsmanship.

SUPERIOR CONSTRUCTION ►

Innovative manufacturing with advanced, automated tube-forming cells for superior construction and tube strength.

CROSS CHANNEL CONSTRUCTION: Provides superior chassis strength. The transom area is supported with up to 3/16" hat-channel construction using twice the amount of fasteners as other pontoons. This provides the strength needed to handle the high torque of today's large engines.

DOES YOUR BOAT HAVE OUR CONSTRUCTION? Other manufacturers use C-channel designs which can require more crossmembers and provide less strength than SunChaser's full hat-channel construction (standard on Calais and Eclipse). And with imbalanced weight distribution, C-channel crossmembers are less able to withstand the forces exerted on the pontoon year after year.

B

1

C

D

E

A THROUGH-BOLTED TRANSMOM 1) A one-piece body with an all-welded transom is built with .190"-gauge aluminum and a metal boxed channel on the inner transom. A motor mount attached with 20 bolts allows for the heaviest high horsepower engines. 2) .190"-gauge aluminum is turned down for strength and structure. 3) Spray deflectors with reinforced gussets push the water away. 4) "V" provides clean water to propeller for better turning.

B CONSTRUCTED FOR ENDURANCE 3/4", 7-ply pressure treated plywood is through-bolted and screwed to the hat channels to create the strongest seams and transom support in the industry ("heavy" hat channel shown).

C TUBES 1) Tubes are made with one-piece .080"-gauge aluminum with full-length keels and sturdy deck risers. They're backed by a Limited Lifetime Warranty. 2) Our tubes also feature air-tight construction with a completely welded-in baffle at each chamber, plus a drain at the bottom. A drain plug at the rear of the tube allows water to be completely removed from the tube if necessary.

D FENCE AND RAILING Foam backing prevents rattling, and a fully welded and anodized railing adds strength. Anodized welds are never painted. It's all backed by a 6-year warranty.

E 4-POINT DECK TO HULL FUSION SunChaser deck brackets have four points of fusion for an extended area of contact with the tube. In addition to providing increased strength and support, this reduces frame twist and racking in rough water and guards against tube fatigue.

CALAIS

When there's simply no room for compromise, step up to Calais – the flagship of the award-winning SunChaser lineup. Calais delivers premium style and luxurious amenities across 10 different models in lengths of 23 or 25 feet, with power options up to 400 HP. Thoughtful standard amenities include our X-Treme PR25 performance package with lifting strakes, black painted tubes, hydraulic steering, our Audio Plus package with a Wet Sounds™ MC-2 Stereo with Bluetooth®, USB, Sirius-ready, interior mood and cupholder lights, a full power Bimini top, a raised helm platform and an integrated Simrad GO7 MFD with C-Zone digital switching – and that's just the start.

POWER CANOPY COMES STANDARD

GENEVA FISH

CATCH THE EXCITEMENT

Our Geneva Fish series has the space and the comfortable seating to keep you on that hot bite all day long. Pedestal-mount, swiveling fishing chairs, rod holders, an aerated livewell and a measuring tape to see whose catch is really the biggest are just the start of this versatile family fishing machine. With plenty of seating, a big swim platform, a great stereo and beverage holders throughout, it's also an ideal family cruiser for joy rides or picnics on a distant beach.

GENEVA VOYAGER

A NIGHT OUT

The Geneva Voyager from SunChaser comes with the camper in mind. A full enclosure camper top, side galley with sink and stainless steel grill all come standard.

Plus, a transitional seating arrangement conveniently changes the back of the boat from a four-person dining area to a flip-down bed big enough to spread out. Voyager offers all the amenities needed for a day and night out on the lake.

VISTA

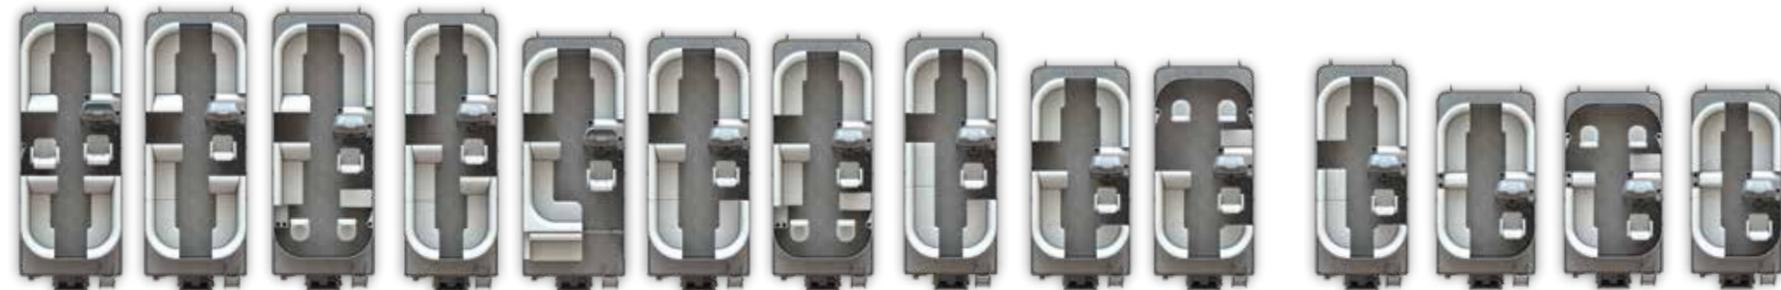

The Vista series is designed for those who love leisurely days on the water, combining comfort with versatility. 14 layouts that feature plush seating and ample storage, make the Vista ideal for family outings or gatherings with friends. The smooth ride and reliable performance make it perfect for both relaxing cruising and spirited adventures.

VISTA

THE FUN STARTS RIGHT HERE

Cast off on your aquatic adventures with Vista, one of our most affordable pontoon series. Vista cruising models come with super comfortable lounge seats, a custom-molded console and a 5-step retractable aluminum boarding ladder. Or choose one of the Vista fishing models, complete with pedestal-mount fishing seats and a plumbed livewell. Add a Convenience Package and enjoy premium upgrades like a Wet Sounds™ Stereo, docking lights, tilt steering and mood lighting.
